Write an article about a Den Activity for your pack newsletter or local newspaper.

Dear Hawk Patrol:

We have reached the end of our time together as Cub Scouts! Many of you have been with us since you were Tigers. Others joined in the years to come and/or transferred to our Pack from other places. No matter how long you have been with us or where your Scouting career began, it has been wonderful spending this time with you and watching you grow.

As a final “homework assignment”, I would like you each to submit your thoughts on your time with Pack 45 and the Hawk Patrol. You can look back on the many years we have had together and remember the many good times we have had. Do you remember when we were Wolves and made a bean bag/hopscotch/food pyramid for a carnival pack meeting? Or when we were Bears and we each led a Denner project where we made masks, a cub scout band, origami and the Cubmobile? How about the first year of Webelos when we made our puppets, built a volcano and learned to change a tire on a car? Then of course there were summer camps, Pinewood Derbies, June picnics, Christmas parties and snowball rallies, just to name a few.

So write a couple of sentences or a short paragraph and **email it** (-----@pack45.com) to me before the next Den Meeting January 20. I will put it all together and submit it for the January Pack Newsletter. To create a letter by computer, save it, print it, and sending email is also part of our communicator badge. I will even email your parents a copy of this page, and you can just add your thoughts to it and send it back to me.

Again, it has been great to have you all as part of our Pack 45 family, and I wish you all the best as you move on to your next level of your Scouting lives!

Eileen Vierling
